

# Shipton Reading Room Hiring Charges

	Non Residents	Residents
Hall only (use of kitchen for beverages only)	£10 per hour	£8 per hour
Hall and full kitchen use	£12 per hour	£10 per hour

The charges above are effective October 2021 and will be subject to review as necessary. When possible, we allow each booking 5 minutes each side of the hire to allow for basic set up and departure. If you require more time for these activities you must include for it in your hiring period. If your booking is for more than 5 hours we may require a 50% deposit payable at time of booking.

Note that the booking charge now covers heating.

If your booking requires set up the day before we will agree a flat rate for that depending on how long your set up prevents us from hiring the hall to other users. The same will apply to overnight use of the hall in multi day events.
